PETITION FOR CORRECTION OF INVENTORSHIP
UNDER 37 C.F.R. § 1.48(b)

Assistant Commissioner
for Patents
Washington, D.C. 20231

Sir:

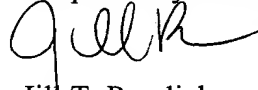

The above-cited application is a divisional application based on U.S.

Application Serial No. 08/869,275, filed June 4, 1997, which was filed properly naming four inventors. Deletion of claims from the parent application in the current divisional application has resulted in fewer than all of the original named inventors being actual inventors of the presently claimed invention. Accordingly, Applicants request the deletion of Randy P. Rasmussen and David R. Hillyard as inventors in the present application, since their inventive contributions are no longer being claimed in this divisional application. Carl T. Wittwer and Kirk M. Ririe are the co-inventors of the present claimed invention.
